

A minimalist line drawing of a dancer in a dynamic pose, rendered in a dark gray color. The dancer is shown from the waist up, with one arm raised and pointing upwards, and the other arm bent. The head is tilted back, and the overall style is abstract and expressive.

Class Guide
2025 season

Our classes

Jazz

Bold. Expressive. Electric.

Jazz dance is pure energy – a fusion of sharp moves, big personality, and dynamic rhythms. It's Broadway meets attitude, where dancers light up the floor with sassy footwork, dramatic flair, and unstoppable confidence. Jazz is where you shine bright and dance loud.

Ballet

Grace in motion

Step into a world of elegance and discipline with ballet – the foundation of all dance. With fluid movements, stunning technique, and timeless beauty, ballet transforms strength into poetry. Whether you're dreaming of the stage or building incredible form, ballet is where the magic begins.

Hip Hop

Power meets passion

Get ready to hit the floor with street-smart swagger and nonstop energy. Hip hop dance is raw, real, and relentlessly creative – from breaking and popping to freestyle flow. It's more than movement; it's a culture, a voice, and a way to tell your story through dance.

Our classes

Contemporary

Emotion in every movement

Contemporary dance is fluid, fearless, and deeply expressive. Blending ballet, modern, and lyrical styles, it allows dancers to break boundaries and tell powerful stories with every leap, twist, and fall. This is dance that moves you – and moves with you.

Tap

Rhythm you can see!

Let your feet become instruments! Tap dance brings rhythm to life with intricate footwork and infectious beats. It's fast-paced, fun, and all about making music with your moves. Hear every step. Feel every beat. Own the spotlight.

Acro

Where dance meets dare devil

Acro dance flips tradition on its head – literally! It combines classical dance technique with jaw-dropping acrobatic elements like flips, balances, and aerials. Perfect for dancers who love to push limits and turn heads, Acro is all about power, flexibility, and fearless fun.
